

# Brier Terrace Middle School PTSA

## 2016-2017 Membership Form

Brier Terrace Middle School Parent, Teacher, Student, Association (BTMS PTSA) invites you to join us to make a difference in quality of life for our children. Membership in PTSA means different things to different individuals. BTMS PTSA recognizes those differences and welcomes everyone to join, participate, learn, grow, and be part of the BTMS PTSA experience.

BTMS PTSA raises funds to support our school's Associated Student Body (ASB), teachers with classroom allowances and grants, student recognition, emergency snacks, library grant, 100-mile club, staff appreciation, after school art programs, and more.

A strong PTSA Membership – makes a BIG difference at our school!  
Thank you past members for your continued support and welcome new members!
